This is a technical cadastral map of a residential neighborhood. The map displays several land parcels, each identified by a unique number such as 024/103, 024/87, 024/93, 3622, 4468, 4331/1, 4331/2, 4331/3, 4331/4, 4326/1, 4326/2, 4326/3, 4326/4, 4326/5, 4327/2, 4327/3, 4327/4, 4327/5, 3674, 3680, 3682, 3672/4, and 3683/11. Buildings are represented by black outlines, some with internal details like windows and doors. Roads are shown as grey lines, with 'Csatári utca' being the main thoroughfare. Public facilities are indicated by blue square symbols: a school (with a book icon) and a playground (with a swing set icon). A red line traces a path from a transformer station (blue square with a lightning bolt) through a small circle to a building. Various other symbols include a bus stop, a trash bin, and a fire hydrant. The map also features a north arrow and a scale bar in the bottom right corner.
